

RE: Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH)

The items that Gard Plasticases Ltd supplies to all of its Customers are regarded as Articles under the REACH regulations and as such do not require registration.

We have contacted all of our Suppliers to ensure that they are:-

1. Aware of their Obligations under REACH and
2. Have alternative supply lines should any product they use be effected

Additional information:-

1. Our Glue, Nylon & Printing Ink is compliant and contains no SVHC`s
2. Our Ester and Ether foam is compliant and contains no SVHC`s
3. Our Plastazote & Jiffycel foam is compliant and contains no SVHC`s
4. Our Gard range is compliant – no SVHC`s used above 0.01% concentration
5. Our WAG range is compliant – No SVHC information available
6. Our Gaggione range is compliant and contains no SVHC`s
7. Our Aluminium & polybox range is compliant & contain no SVHC`s
8. Our clear box range is compliant – No SVHC information available.

The above information is correct at time of writing and is given to us by our Suppliers. Should anything change we will inform our Customers as soon as we have the information.

Hopefully this addresses your concerns but should you require any further information please do not hesitate to contact us.

Yours faithfully,
