REACH Compliance Declaration / SVHC Statement

Regulation: Regulation (EC) No 1907/2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH), as amended.

We, Gard Plasticases Ltd, hereby declare, to the best of our knowledge and based on information received from our suppliers, that:

1. **Substances of Very High Concern (SVHC) – Candidate List**

   All products Supplied.

   - **do not contain** any substances included in the ECHA Candidate List of Substances of Very High Concern (SVHC) in concentrations above 0.1% weight by weight (w/w) in any article (as defined under REACH Article 3(3))

2. This declaration refers to the Candidate List as updated by ECHA on **February 4, 2026** (253 substances in total; latest additions: n-hexane and 4,4'-[2,2,2-trifluoro-1-(trifluoromethyl)ethylidene]diphenol and its salts). We monitor updates regularly via: https://echa.europa.eu/candidate-list-table

3. **Restricted Substances – Annex XVII** To the best of our knowledge, the above product(s) comply with all applicable restrictions listed in Annex XVII of REACH (no restricted substances are present above the specified concentration limits or under prohibited conditions).

4. **Authorisation – Annex XIV** No substances subject to authorisation (Annex XIV) are intentionally present in the product(s) without a valid authorisation for the relevant use(s).

5. **General Compliance Statement** This declaration covers REACH communication obligations under Article 33(1). Where no SVHC > 0.1% is present, no additional information on safe use is required. The product(s) can be used safely under normal and reasonably foreseeable conditions (including disposal/recycling as waste). This statement is valid until the next Candidate List update or until significant changes occur in composition/supply chain, whichever comes first. We commit to informing customers promptly of any relevant changes.

Scope: This declaration applies to all product shipments from.

Disclaimer: This declaration is based on supplier declarations, material data sheets, analytical data (where applicable), and our internal assessments. It does not constitute a product warranty or substitute for your own due diligence.
