

QUALITY POLICY: ISO 9001 – QUALITY MANAGEMENT

Gard Plasticases Ltd is dedicated to delivering products and services of exceptional quality to our esteemed customers. Our ISO 9001 Quality Management Policy reflects our unwavering commitment to maintaining and continuously improving our quality management system. We aim to consistently meet or exceed customer expectations, enhance operational efficiency, and ensure compliance with relevant quality standards and regulations.

At **Gard Plasticases Ltd**, our objective is to provide our customers with outstanding quality across all our products and services. We strive to achieve this by implementing robust quality management practices and fostering a culture of continuous improvement.

We are fully committed to achieving the highest levels of quality in our products and services. Recognising the pivotal role of quality management in meeting customer requirements and enhancing our processes is fundamental to our operations.

Objectives:

- Consistently meet or exceed customer expectations regarding product quality and service delivery.
- Enhance operational efficiency and effectiveness by implementing best practices in quality management.
- Ensure compliance with ISO 9001 standards and other relevant quality regulations.
- Promote a culture of quality awareness and continuous improvement among our employees.

Senior Management at **Gard Plasticases Ltd** is responsible for overseeing the implementation of this policy and ensuring that quality objectives are met.

This policy will be communicated to all **Gard Plasticases Ltd** employees and made available to interested parties.

Signed: _____
